

MSc Mechanical Engineering 1st year – 2 nd semester

Subject/week	1	2	3	4	5	6	7	8	9	10	11	12	13	+1
Finite Element Method and Elasticity (Exam)										Test	HW		Retest	
MSc Fluid Dynamics (Term grade)						Test 1	ReTest 1				Test 2		ReTest 2	
Maintenance Systems and strategies (Exam)												Test Monday 12:00, C005	ReTest Monday 12:00 C005	
Industrial communications (Term grade)			Project description		Milestone 1. presentation		Milestone 2. pres.		Milestone 3. pres.		Milestone 4. pres.		Final presentation	
Microcontroller based device development (Term grade)								Midterm report					Final report	
Foreign language 2 (Exam)	Quick tests													
Project						Midterm Report						Final Report		Oral presentation

Official holidays: 15th of March (Friday), 29th of March (Friday), 1st of April (Monday), 1st of May (Wednesday), 20th of May (Monday).

Color codes: HW – Homework or Assignment; Test; Retest.

MSc Mechanical Engineering 2nd year – 4 th semester

Subject/week	1	2	3	4	5	6	7	8	9	10	11	12	13	+1
Technical project management (Term grade)													Project work	

Official holidays: 15th of March (Friday), 29th of March (Friday), 1st of April (Monday), 1st of May (Wednesday), 20th of May (Monday).

Color codes: HW – Homework or Assignment; Test; Retest.
